

USE YOUR GIFTS AND SERVE OTHERS

SERVE OTHERS

LAY DEVELOPMENT

Widows and Single Mom's Ministry

James 1:27 "...Look after the orphans and widows in their distress..."

An extension of Men's Ministry where work requests are submitted for projects that need to be completed around the house and yard that can't be accomplished by our Widows and Single Moms.

Senior Pastor and Staff Luncheon

Philippians 2:20 "...No one else like him who takes a genuine interest in your welfare..."

- Bi-Monthly new attendees are invited to a Church Luncheon and Facility Tour. This tour highlights the multi-use building concept for our congregation and the community.
- The walk through gives the attendees an understanding of our commitment to maximize the use of the physical building for our Community and to the glory of God.
- The Luncheon also gives the new attendees an opportunity to have some quality time with our Pastor, his wife, staff members and other new attendees like themselves.
- The Staff members communicate the Ministries of GoodNaz and there is a question and answer time

Connect Groups

Acts 2:42 "...They devoted themselves to the apostles teaching and to fellowship, to the breaking of bread and to prayer..."

Our typical Connect Group is 6 – 12 people that meet weekly in a home to discuss the week's sermon and practical ways to apply the sermon to our daily lives.

Connect Groups have several outstanding benefits including:

- Helps individuals feel connected
- Gives people a sense of belonging
- Encourages meaningful relationships
- Promotes spiritual growth
- Reaches out to people who don't attend church

Spiritual Gifts Assessments

Romans 12:6 "...we have different gifts according to the grace given us..."

- Helps individuals to identify their God given talent and abilities that they have been blessed with.
- Their gifts are identified in seven specific areas
 - Perceiving
 - Serving
 - Teaching
 - Encouraging
 - Giving
 - Leadership
 - Mercy

This assessment enables lay members to understand and choose what areas of service they might be most effective in and receive the greatest blessing.
