

JAMAICA MISSION TRIP

March 11-17, 2012

A short term mission trip can be life changing. Our trip with Mission Discovery starts outside Montego Bay where our team will work at one of several ministry sites. Outside the bustling city of Montego Bay, Victory Christian Fellowship Church serves a community in need. The church hosts a pre-school that now has more than 50 children in attendance, providing children with education and care so mothers in this poor neighborhood are able to work.

Mission teams are vital to the important work being done in the community of Barrett Hall. Our group will work hard laying block, carrying sand, and mixing concrete. We will also have the opportunity to lead a Children's Bible school for the community children.

One of the highlights of our trip will be to work at Blossom Garden Children's Home, Montego Bay's city orphanage that houses more than 70 children.
